OEL-330-73

23 AUG 1973

MEMORANDUM FOR: Director of Logistics

SUBJECT: Study of Utilities Support of Environmentally Sensitive Equipment in the Headquarters Building

- REFERENCES:
- a. Director of Logistics Memorandum, same subject, dated 20 July 1973.
 - b. Executive Secretary, CIA Management Committee Memorandum, subject: Consolidation of Computer Operations, dated 27 April 1973.
 - c. Chairman, Security and Logistics Sub-Task Team, OJCS/CRS Merger Group Memorandum, subject: Recommendations Concerning Reallocation of Space Resulting from Merger of OJCS/CRS Computer Operations, dated 11 May 1973.

1. Reference a requested a review of and comments on a study of environmentally sensitive equipment facilities at CIA Headquarters Building prepared by the Real Estate and Construction Division of the Office of Logistics, dated 5 March 1973.

2. References b and c reflect a subsequent decision by the CIA Management Committee and follow-up action by an implementing task team including inputs from OJCS, CRS, and OEL to consolidate several of OEL/Analysis Division laboratories in the present CRS computer room and to consolidate the CRS and OJCS computer workloads in OJCS.

3. The actions directed by references b and c satisfactorily address OEL's requirement for an area that is environmentally capable of supporting the sensitive equipment utilized in accomplishing the missions of the signal analysis and signal processing laboratories within OEL. Accordingly, OEL feels that no further action is required at this time with regard to this subject.
